

## Module-10

Q-01:

You are required to write the appropriate accounting heads to be debited in second column against each case given in first column, from the following list of accounts.

- Machinery account
- Purchase account
- Merchandises account
- Supplier's account
- Depreciation account
- Provision for depreciation account
- Cash account
- Bank account

| <b>First Column</b><br><b>Cases</b>                  | <b>Second Column</b><br><b>Accounting head<br/>to be debited</b> |
|------------------------------------------------------|------------------------------------------------------------------|
| Machinery bought and payment is made through cheque  | ?                                                                |
| Merchandises purchased on credit basis from supplier | ?                                                                |
| Recording the provision for depreciation             | ?                                                                |

**\*Note: You must follow the above format to fill the missing particulars of second column.**

Solution:

| <b>First Column</b><br><b>Cases</b>                  | <b>Second Column</b><br><b>Accounting head<br/>to be debited</b> |
|------------------------------------------------------|------------------------------------------------------------------|
| Machinery bought and payment is made through cheque  | Machinery account                                                |
| Merchandises purchased on credit basis from supplier | Purchases account                                                |
| Recording the provision for depreciation             | Depreciation account                                             |

Q-02:

You are required to write the appropriate accounting heads to be credited in second column against each case given in first column, from the following list of accounts.

- Machinery account
- Purchase account
- Merchandises account
- Supplier's account
- Depreciation account
- Provision for depreciation account
- Bank account

| <b>First Column</b>                                  | <b>Second Column</b>                  |
|------------------------------------------------------|---------------------------------------|
| <b>Cases</b>                                         | <b>Accounting head to be credited</b> |
| Machinery bought and payment is made through cheque  | ?                                     |
| Merchandises purchased on credit basis from supplier | ?                                     |
| Recording the provision for depreciation             | ?                                     |

**\*Note: You must follow the above format to fill the missing particulars of second column.**

Solution:

| <b>First Column</b>                                  | <b>Second Column</b>                  |
|------------------------------------------------------|---------------------------------------|
| <b>Cases</b>                                         | <b>Accounting head to be credited</b> |
| Machinery bought and payment is made through cheque  | Bank account                          |
| Merchandises purchased on credit basis from supplier | Supplier's account                    |
| Recording the provision for depreciation             | Provision for depreciation account    |

Q-03:

Following information is available regarding the disposal of a fixed asset.

| Particulars                        | Rs.    |
|------------------------------------|--------|
| Opening balance of machinery       | 25,000 |
| Cost of disposed machinery         | 5,000  |
| Machinery disposed on cash basis   | 2,500  |
| Bought new machinery on cash basis | 20,000 |

Note: Organization transfers the cost of sold machinery to machinery disposal account in case of disposing the machinery.

**Required:**

**Prepare Machinery account according to ledger account format given below.**

| Machinery Account |            |             |            |
|-------------------|------------|-------------|------------|
| Particulars       | Dr.<br>Rs. | Particulars | Cr.<br>Rs. |
|                   |            |             |            |
|                   |            |             |            |

**Solution:**

| Machinery Account |        |                        |        |
|-------------------|--------|------------------------|--------|
| Particulars       | Rs.    | Particulars            | Rs.    |
| Opening balance   | 25,000 | Machinery disposal a/c | 5,000  |
| Cash account      | 20,000 | Closing balance        | 40,000 |
| Total             | 45,000 | Total                  | 45,000 |

Q-04:

Following information is available regarding disposal of a fixed asset.

| Particulars                                                                           | Rs.     |
|---------------------------------------------------------------------------------------|---------|
| Original cost of machinery on the start of the year                                   | 100,000 |
| Per year depreciation by using straight line method                                   | 10,000  |
| Machinery is sold at the end of 4 <sup>th</sup> year and payment is made through cash | 55,000  |

**Required:**

**Prepare Fixed Asset Disposal account according to ledger account format given below.**

| Machinery Disposal Account |            |             |            |
|----------------------------|------------|-------------|------------|
| Particulars                | Dr.<br>Rs. | Particulars | Cr.<br>Rs. |
|                            |            |             |            |
|                            |            |             |            |

**Solution:**

| Machinery Disposal Account |         |                                              |         |
|----------------------------|---------|----------------------------------------------|---------|
| Particulars                | Rs.     | Particulars                                  | Rs.     |
| Machinery cost a/c         | 100,000 | Accumulated depreciation a/c<br>(10,000 x 4) | 40,000  |
|                            |         | Cash a/c                                     | 55,000  |
|                            |         | Profit and loss a/c<br>(Balancing figure)    | 5,000   |
| Total                      | 100,000 | Total                                        | 100,000 |

## Module-11

Q-05:

Following information is available for ABC traders.

- Opening balance of debtors control account Rs. 100,000
- Total of sales journal Rs. 40,000
- Total of purchase journal Rs. 30,000
- Cash receipt from customers Rs. 20,000
- Cash payment to suppliers Rs. 25,000
- Discount allowed Rs. 10,000
- Discount received Rs. 15,000
- Trade discount Rs. 12,500
- Closing balance of debtors control account is the balancing figure in required account.

**Required:**

Based on the above information, you are required to prepare the Debtors Control Account by following the format given below.

| Debtors Control Account |     |             |     |
|-------------------------|-----|-------------|-----|
| Debit                   |     | Credit      |     |
| Particulars             | Rs. | Particulars | Rs. |
|                         |     |             |     |
|                         |     |             |     |

**Solution:**

| Debtors Control Account |         |                      |         |
|-------------------------|---------|----------------------|---------|
| Particulars             | Rs.     | Particulars          | Rs.     |
| Opening balance         | 100,000 | Cash a/c             | 20,000  |
| Sales a/c               | 40000   | Discount allowed a/c | 10,000  |
|                         |         | Closing balance      | 110,000 |
| Total                   | 140,000 | Total                | 140,000 |

Q-06:

Following information is available for ABC traders.

- Opening balance of creditors control account Rs. 100,000
- Total of sales journal Rs. 40,000
- Total of purchase journal Rs. 30,000
- Cash receipt from customers Rs. 20,000
- Cash payment to suppliers Rs. 25,000
- Discount allowed Rs. 10,000
- Discount received Rs. 15,000
- Trade discount Rs. 12,500
- Closing balance of creditors control account is the balancing figure in required account.

**Required:**

**Based on the above information, you are required to prepare the Debtors Control Account by following the format given below.**

| Creditors Control Account |     |             |     |
|---------------------------|-----|-------------|-----|
| Debit                     |     | Credit      |     |
| Particulars               | Rs. | Particulars | Rs. |
|                           |     |             |     |
|                           |     |             |     |

**Solution:**

| Creditors Control Account |         |                 |         |
|---------------------------|---------|-----------------|---------|
| Particulars               | Rs.     | Particulars     | Rs.     |
| Cash a/c                  | 25,000  | Opening balance | 100,000 |
| Discount received a/c     | 15,000  | Purchases a/c   | 30,000  |
| Closing balance           | 90,000  |                 |         |
| Total                     | 130,000 | Total           | 130,000 |

Q-07:

Prepare the “Sales Journal” and “Sales Return Journal” based on the following transactions of a furniture showroom.

| Date               | Transactions                                                                                                                                                                 |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2020<br>July<br>10 | 10 tables @ Rs. 200 sold on credit basis to Mr. Ali.<br><br>15 tables @ Rs. 300 sold on cash basis to Mr. Ali.                                                               |
| July<br>15         | 5 tables returned from Mr. Ali which were sold on credit basis on July 10, 2020.<br><br>10 tables returned from Mr. Ali which were sold on cash basis on July 10, 2020.      |
| July<br>20         | 20 tables @ Rs. 250 sold on credit basis to Mr. Ahmed.<br><br>40 Chairs @ Rs. 90 sold on cash basis to Mr. Ahmed.<br><br>30 Chairs @ Rs. 95 sold on cash basis to Mr. Afzal. |
| July<br>25         | 10 tables returned from Mr. Ahmed which were sold on credit basis on July 20, 2020.<br><br>25 chairs returned from Mr. Ahmed which were sold on cash basis on July 20, 2020. |

**Note: You must follow the format given below to prepare the following Journal.**

**Sales Journal**

| Date  | Description (Name of Debtor) | Rs. |
|-------|------------------------------|-----|
| 2020  |                              |     |
| Total |                              |     |

**Sales Return Journal**

| Date  | Description (Name of Debtor) | Rs. |
|-------|------------------------------|-----|
| 2020  |                              |     |
| Total |                              |     |

**Solution:****Sales Journal**

| <b>Date</b>        | <b>Description (Name of Debtor)</b> | <b>Rs.</b> |

| Total              |                                       | 3,500      |

## Module-12

Q-09:

Briefly explain the following types of error with the help of suitable examples

- Error of Omissions
- Error of Commission
- Error of Principles
- Compensating errors
- Error of Original entry

Q-10:

What original journal entries should have been passed in each of the following case?

1. Rental income received through cheque for Rs. 30,000 wrongly debited to cash account.
2. Rent income received through cash payment of Rs. 50,000 wrongly debited to bank account.

**Note: You must follow the format given below to pass the required original journal entries.**

| Date/Case | Particulars     | Debit<br>Rs. | Credit<br>Rs. |
|-----------|-----------------|--------------|---------------|
| 1         | Debit account?  | ???          |               |
|           | Credit account? |              | ???           |
| 2         | Debit account?  | ???          |               |
|           | Credit account? |              | ???           |

Solution

### Original Entries

| Date/Case | Particulars           | Debit<br>Rs. | Credit<br>Rs. |
|-----------|-----------------------|--------------|---------------|
| 1         | Bank account          | 30,000       |               |
|           | Rental income account |              | 30,000        |
| 2         | Cash account          | 50,000       |               |
|           | Rental income account |              | 50,000        |

Q-11:

You are required to pass rectifying journal entries for each of the following case?

1. Rent received through cheque for Rs. 40,000 wrongly debited to cash account.
2. Rent received through cash payment of Rs. 50,000 wrongly debited to bank account.

**Note: You must follow the format given below to pass the required rectified entries.**

| Date/Case | Particulars     | Debit<br>Rs. | Credit<br>Rs. |
|-----------|-----------------|--------------|---------------|
| 1         | Debit account?  | ???          | ???           |
|           | Credit account? |              |               |
| 2         | Debit account?  | ???          | ???           |
|           | Credit account? |              |               |

**Solution:**

**Rectified Entries:**

| Date/Case | Particulars  | Debit<br>Rs. | Credit<br>Rs. |
|-----------|--------------|--------------|---------------|
| 1         | Bank account | 40,000       | 40,000        |
|           | Cash account |              |               |
| 2         | Cash account | 50,000       | 50,000        |
|           | Bank account |              |               |

### Module-13

Q-12:

Following information is available for the books of ABC Brothers.

| Particulars     | Rs.     |
|-----------------|---------|
| Gross sales     | 110,000 |
| Return inwards  | 10,000  |
| Return outwards | 20,000  |
| Gross purchases | 140,000 |

**Required:**

**Calculate the amount of “Net sales” from the information given above.**

**Solution:**

| Particulars          | Rs.            |
|----------------------|----------------|
| Gross sales          | 110,000        |
| Less: Return inwards | 10,000         |
| Net sales            | <b>100,000</b> |

Q-13:

Following information is available in the Trial balance of ABC Brothers.

| Particulars                        | Rs.     |
|------------------------------------|---------|
| Capital at the start of the period | 100,000 |
| Withdrawals during the period      | 20,000  |

**Required:**

**Calculate the amount of closing capital to be shown in balance sheet if net profit for the period is Rs. 50,000.**

**Solution:**

| Particulars                                  | Rs.            |
|----------------------------------------------|----------------|
| Opening capital                              | 100,000        |
| Less: Drawings                               | (20,000)       |
| Add: Net profit                              | 50,000         |
| Closing capital to be shown in balance sheet | <b>130,000</b> |

Q-14:

1. Salaries paid in advance at the end of accounting period is Rs. 50,000
2. Outstanding rent at the end of accounting period is Rs. 15,000

**Required:**

**Pass adjusting entries of “Prepaid salaries” and “Outstanding rent” based on the information given above.**

**Solution:**

|                      |            |
|----------------------|------------|
| Prepaid salaries A/C | Rs. 50,000 |
|----------------------|------------|

|                      |            |
|----------------------|------------|
| Salaries expense A/C | Rs. 50,000 |
|----------------------|------------|

(Advanced paid salaries are recognized)

|                   |            |
|-------------------|------------|
| Rent expenses A/C | Rs. 15,000 |
|-------------------|------------|

|                      |            |
|----------------------|------------|
| Outstanding rent A/C | Rs. 15,000 |
|----------------------|------------|

(Unpaid rent for current period is recognized)

Q-15:

Following information is available in trial balance of ABC Brothers at the end of year 2020.

| Particulars       | Rs.     |
|-------------------|---------|
| Cash at bank      | 100,000 |
| Sundry debtors    | 200,000 |
| Accounts payable  | 300,000 |
| Short term loan   | 400,000 |
| Salaries payable  | 500,000 |
| Rent expense      | 250,000 |
| Insurance expense | 430,000 |
| Opening stock     | 210,000 |

Additional Information:

- Bad debt of Rs. 40,000 is to be written off.
- Insurance paid in advance at the end of accounting period is Rs. 50,000

**Required:**

**Calculate the amount of "Current Assets" and "Current Liabilities" to be shown in Balance sheet as on 31<sup>st</sup> December 2020.**

**Note: It is necessary to mention Add or Plus sign (+) / Less or Minus sign (-) in the working otherwise marks for working will not be awarded.**

**Solution:**

| Particulars       | Rs.      |
|-------------------|----------|
| Cash at bank      | 100,000  |
| Sundry debtors    | 200,000  |
| Less: Bad debts   | - 40,000 |
| Prepaid insurance | 50,000   |
| Current Assets    | 310,000  |

| Particulars           | Rs.      |
|-----------------------|----------|
| Accounts payable      | 300,000  |
| Short term loan       | 400,000  |
| Salaries payable      | 500,000  |
| Accrued rent expenses | 90,000   |
| Current Liabilities   | 1290,000 |

### Module-14

Q-16:

Following information is available of ABC manufacturing business.

| Particulars                   | Rs.    |
|-------------------------------|--------|
| Opening stock of raw material | 10,000 |
| Purchase of raw material      | 20,000 |
| Indirect material cost        | 40,000 |
| Indirect labor cost           | 35,000 |
| Closing stock of raw material | 5,000  |

**Required:**

**Calculate the cost of material used based on information given above.**

**Solution:**

| Particulars                         | Rs.           |
|-------------------------------------|---------------|
| Opening stock of raw material       | 10,000        |
| Add: Purchase of raw material       | 20,000        |
| Less: Closing stock of raw material | 5,000         |
| Cost of material used               | <b>25,000</b> |

Q-17:

Following information is available of ABC manufacturing business.

| Particulars                               | Rs.    |
|-------------------------------------------|--------|
| Prime cost                                | 43,000 |
| Direct labour cost                        | 17,000 |
| Indirect material cost                    | 10,000 |
| Depreciation of machinery used in factory | 30,000 |
| Rent of factory building                  | 40,000 |
| Rent of office building                   | 12,000 |

**Required:**

**Calculate the factory overhead cost based on information given above.**

**Note: It is necessary to mention Add or Plus sign (+) / Less or Minus sign (-) in the working otherwise marks for working will not be awarded.**

**Solution:**

| Particulars                                        | Rs.               |
|----------------------------------------------------|-------------------|
| Indirect material cost                             | 10,000            |
| <br>Add: Depreciation of machinery used in factory | <br>30,000        |
| Add: Rent of factory building                      | 40,000            |
| <br>Factory overhead cost                          | <br><b>80,000</b> |

Q-18:

Following information is available of ABC manufacturing business.

| Particulars                          | Rs.    |
|--------------------------------------|--------|
| Total factory cost                   | 40,000 |
| Opening inventory of work in process | 10,000 |
| Closing inventory of work in process | 30,000 |
| Opening inventory of finished goods  | 15,000 |
| Closing inventory of finished goods  | 17,000 |

**Required:**

**Based on the information given above, calculate the cost of goods manufactured.**

**Note: It is necessary to mention Add or Plus sign (+) / Less or Minus sign (-) in the working otherwise marks for working will not be awarded.**

4 marks for working and 1 for answer.

| Particulars                                | Rs.           |
|--------------------------------------------|---------------|
| Total factory cost                         | 40,000        |
| Add: Opening inventory of work in process  | <u>10,000</u> |
|                                            | 50,000        |
| Less: Closing inventory of work in process | <u>30,000</u> |
| Cost of goods manufactured                 | <b>20,000</b> |

Q-19:

Following information is available of ABC manufacturing business.

| Particulars                          | Rs.    |
|--------------------------------------|--------|
| Cost of goods manufactured           | 30,000 |
| Opening inventory of finished goods  | 10,000 |
| Closing inventory of finished goods  | 5,000  |
| Opening inventory of work in process | 13,000 |
| Closing inventory of work in process | 18,000 |

**Required:**

**Based on the information given above, calculate the cost of goods sold.**

**Note: It is necessary to mention Add or Plus sign (+) / Less or Minus sign (-) in the working otherwise marks for working will not be awarded.**

4 marks for working and 1 for answer.

| Particulars                               | Rs.           |
|-------------------------------------------|---------------|
| Cost of goods manufactured                | 30,000        |
| Add: Opening inventory of finished goods  | <u>10,000</u> |
|                                           | 40,000        |
| Less: Closing inventory of finished goods | <u>5,000</u>  |
| Cost of goods sold                        | <b>35,000</b> |

### Module-15

Q-20:

ABC Textile Ltd. imported raw material for use in production of goods with following details:

| Particulars                                                 | Rs.    |
|-------------------------------------------------------------|--------|
| Invoice price                                               | 12,000 |
| Trade discount                                              | 1,000  |
| Other cost directly attributable to acquisition of material | 2,000  |
| Refundable sales tax                                        | 350    |
| Sundry debtors                                              | 338    |

**Required:**

**Calculate the cost of purchase of raw material inventory.**

**Solution:**

| Particulars                                                      | Rs.    |
|------------------------------------------------------------------|--------|
| Invoice value                                                    | 12,000 |
| Add: Other cost directly attributable to acquisition of material | 2,000  |
| Less: Trade discount                                             | 1,000  |
| Cost of purchase of raw material                                 | 13,000 |

Q-21:

- 1- Bought goods of Rs. 20,000 on cash basis from LMN Store.
- 2- Bought goods of Rs. 15,000 on account.

**Required:**

**Pass the journal entries of above transactions under:**

1. Periodic inventory system
2. Perpetual inventory system

**Note:** You must follow the following format to pass the required journal entries.

| Date /<br>S.No. | Particulars | Debit<br>Rs. | Credit<br>Rs. |
|-----------------|-------------|--------------|---------------|
| 1               | ???         | ???          | ???           |
| 2               | ???         | ???          | ???           |

**Solution:**

**1. Periodic inventory system**

| Date | Particulars                                   | Debit<br>Rs. | Credit<br>Rs. |

## Module-17

Q-25:

Following information is available of a company.

| Particulars                                         | Rs.     |
|-----------------------------------------------------|---------|
| Profit from operations                              | 320,000 |
| Administration expenses                             | 17,000  |
| Cost of goods sold                                  | 95,000  |
| Interest on loan                                    | 2,000   |
| Income tax expense                                  | 5,000   |
| Gain on revaluation of property plant and equipment | 15,000  |
| Cash in hand                                        | 12,000  |
| Advertisement expenses                              | 14,000  |
| Loss on revaluation of property plant and equipment | 10,000  |

**Required:**

**Based on the information given above, calculate total comprehensive income.**

**Note: It is necessary to mention Add or Plus sign (+) / Less or Minus sign (-) in the working otherwise marks for working will not be awarded.**

1 mark for answer and 4 marks for working

| Particulars                       | Rs.            |
|-----------------------------------|----------------|
| Profit from operations            | 320,000        |
| Less: Interest on loan            | 2,000          |
| Less: Income tax expense          | 5,000          |
| Less: Loss on revaluation         | 10,000         |
| Add: Gain on revaluation          | 15,000         |
| <b>Total comprehensive income</b> | <b>318,000</b> |

Q-26:

Following information is available of a company.

| Particulars                                        | Rs.     |
|----------------------------------------------------|---------|
| Gross profit                                       | 320,000 |
| Cash in hand                                       | 14,000  |
| Closing stock                                      | 17,000  |
| Selling and marketing expenses                     | 10,000  |
| General and administration expenses                | 5,000   |
| Financial expenses                                 | 20,000  |
| Income tax expenses                                | 15,000  |
| Actuarial loss on defined benefit plan             | 30,000  |
| Gain on revaluation of property plan and equipment | 12,000  |
| Cost of goods sold                                 | 95,000  |

**Required:**

**Based on the information given above, calculate profit after tax.**

**Note: It is necessary to mention Add or Plus sign (+) / Less or Minus sign (-) in the working otherwise marks for working will not be awarded.**

1 mark for answer and 4 marks for working

| Particulars                               | Rs.            |
|-------------------------------------------|----------------|
| Gross profit                              | 320,000        |
| Less: Selling and marketing expenses      | 10,000         |
| Less: General and administration expenses | 5,000          |
| Less: Financial expenses                  | 20,000         |
| Less: Income tax expenses                 | 15,000         |
| <b>Profit after tax</b>                   | <b>270,000</b> |

## Module-18

Q-27:

What are the three components/activities of Statement of cash flows?

Q-28:

Briefly explain “Cash and cash equivalents” with the help of examples.

Q-29:

| <b>FIRST COLUMN</b><br>Particulars/Descriptions | <b>SECOND COLUMN</b><br><b>Flows of cash</b><br>Cash inflow, Cash outflow, Non cash item |
|-------------------------------------------------|------------------------------------------------------------------------------------------|
| Dividend received                               | ?                                                                                        |
| Dividend paid to shareholders                   | ?                                                                                        |
| Depreciation and amortization                   | ?                                                                                        |

**Required:**

Being an accountant, identify the flows of cash of each description given in first column and write “Cash inflow” or “Cash outflow” or “Non-cash item” in second column against each description of first column.

**Solution:**

| <b>FIRST COLUMN</b><br>Particulars/Descriptions | <b>SECOND COLUMN</b><br><b>Flows of cash</b><br>Cash inflow, Cash outflow, Non cash item |
|-------------------------------------------------|------------------------------------------------------------------------------------------|
| Dividend received                               | Cash inflow                                                                              |
| Dividend paid to shareholders                   | Cash outflow                                                                             |
| Depreciation and amortization                   | Non-cash item                                                                            |

Q-30:

Following information is available of a company.

| Particulars                        | Rs.     |
|------------------------------------|---------|
| Total operating expense            | 320,000 |
| Amortization                       | 10,000  |
| Cash in hand                       | 12,000  |
| Cash at bank                       | 14,000  |
| Opening due operating expenses     | 15,000  |
| Closing advance operating expenses | 20,000  |
| Sundry creditors                   | 17,000  |
| Bad debts                          | 5,000   |
| Closing due operating expenses     | 25,000  |
| Opening advance operating expenses | 35,000  |

**Required:**

Based on the information given above, calculate the cash paid for operating expenses.

**Note: It is necessary to mention Add or Plus sign (+) / Less or Minus sign (-) in the working otherwise marks for working will not be awarded.**

**Solution:**

| Particulars                              | Rs.            |
|------------------------------------------|----------------|
| Total operating expenses                 | 320,000        |
| Less: Bad debts                          | (5,000)        |
| Less: Amortization                       | (10,000)       |
| Add: Opening due operating expenses      | 15,000         |
| Add: Closing advance operating expenses  | 20,000         |
| Less: Closing due operating expenses     | (25,000)       |
| Less: Opening advance operating expenses | (35,000)       |
| <b>Cash paid for operating expenses</b>  | <b>280,000</b> |

Q-31:

Following information is available of a company.

| Particulars                                                 | Rs.     |
|-------------------------------------------------------------|---------|
| Shares issued to public                                     | 400,000 |
| Dividend paid to shareholders treated as financing activity | 80,000  |
| Increase in long term debts                                 | 100,000 |
| Cash paid for redemption of loan certificates               | 50,000  |
| Cash received on sale of non-current assets                 | 250,000 |
| Cash paid on purchases of non-current assets                | 750,000 |
| Depreciation and Amortization                               | 200,000 |

**Required:**

**Based on the information given above, calculate the cash generated from financing activities.**

**Note: It is necessary to mention Add or Plus sign (+) / Less or Minus sign (-) in the working otherwise marks for working will not be awarded.**

1 mark for answer and 4 marks for working

| Particulars                                         | Rs.            |
|-----------------------------------------------------|----------------|
| Issue of shares                                     | 400,000        |
| Less: Dividend paid to shareholders                 | 80,000         |
| Add: Increase in long term debts                    | 100,000        |
| Less: Cash paid for redemption of loan certificates | 50,000         |
| <b>Cash generated from financing activities</b>     | <b>370,000</b> |
