good moral character was the reason that his message of Islam accepted by the people of different origins, ethnicities, creeds and casts.

You have to describe four "Moral Characteristics" of Holy Prophet PBUH in your own words.

Most Merciful to the faithful

“There has certainly come to you an apostle from among your selves. Grievous to him is you distress; he has deep concern for you, and is most kind and merciful to the faithful.”

(Surah At-Tawba: Versa 128).

Point 2:

He Loved Children, And Always Greeted Them Properly.

Explanation:
He always enjoyed their company and played with them to make them happy. The Prophet was never afraid to show his love for children, and would openly smile and laugh with them. He used to say to kids:

"I'll give such and such (i.e. gift or so) to the one who comes to me first" So they used to race and fall on His back and chest (Ahmad).

Point 3:

Forgiveness And Understanding Were At The Backbone Of His Message.

Explanation:
The Prophet is said to have told his companions and family members: "Be lenient to the people in their affairs and do not be rigid; give hope to them and do not cause break up among them. Islam is a balanced religion, so be moderate in acting on its commandments". In one of His hadith Prophet (PBUH) said:

Point 4:

Generosity and Caring of Women

Explanation:
Prophet Muhammad (peace be upon him) was generous and liberal with his greatest enemies, even with the people of Mecca, who were the ones who fought him for many years. Muhammad (PBUH) is also attributed with women oppressing attributes. This perception is also wrong because Prophet (PBUH) was very caring of the rights of the women and commanded His followers to give special treatment to women by giving them respect and equal rights that they ought to have.

Verse:
Whoever believes in Allah and the Last Day, let him be generous to his guest". (Sahih Al-Bukhari: 6136)
